

The Jolly Christmas Postman

Home Learning Challenge

Draw or paint a Christmas card to send to someone!

Look at some Christmas stamps and ask your child about what they can see. Encourage them to draw or paint a picture of their favourite Christmas stamp.

Talk about addresses and how they are written on the front of an envelope. Look at your home address and talk about your door number, road name and town.

There were 5 Christmas cards in the Jolly Postman's bag; if he posts 3, how many would he have left? You could draw a picture to help you work out the answer!

There are lots of different fairytale and nursery rhyme characters in the Jolly Postman books - talk about your favourite storybook characters. Maybe you could draw a picture of your favourite character and write their name or a sentence about why you like them.

Write a letter or card to post to someone – maybe they will send you one back for the postman to deliver!
