

To further develop the roles, skills and accountability of subject leaders, to build leadership capacity and further improve teaching & learning and standards.

To continue to develop children's spiritual, moral, social and cultural development through the Unicef Rights Respecting School Award.

## **Effectiveness of Leadership and Management**

To further develop the role and responsibilities of the Special Educational Needs Coordinator (SENCo) to ensure effective leadership and management of SEN throughout school.

To ensure that the school's practice makes a wider positive contribution to other schools.

To ensure teachers plan effectively for the deployment of Teaching Assistants across the school to ensure maximum impact on pupil progress.
